

[customize it]

Custom designed, backlit images adorn the walls of a sushi restaurant in Florida.

[a subtle pattern]

This soft, yet elaborate, wall covering adds a touch of glamour to a stunning residential vanity.

[detailed geometry]

Custom designed fretwork on the doors and ceiling intensify the visual appeal at a stunning residence.

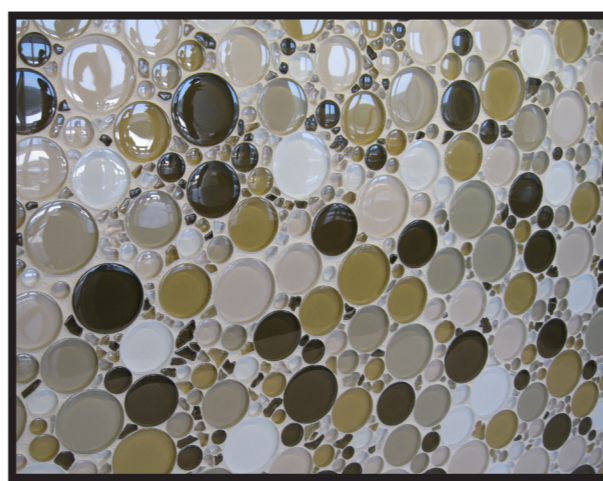

[clever signage]

Three dimensional lettering makes an interesting wayfinding tool at a beauty salon.

[playful shapes]

Bubble mosaics in varied sizes liven up this sleek and sophisticated kitchen.

[optical illusion]

Careful placement and installation of accent colored carpet tiles appear to pierce through the wall in a corporate office space.
